

Publisher's Note

Original Service: June 2010

This new updateable publication on land tenure law consists of Juta's *Understanding Land Tenure Law* pocket companion and legislation, to which we have added a Table of Cases, Index and a Case Digest containing summaries of key cases on the Extension of Security of Tenure Act 62 of 1997.

The *Land Tenure Law* publication aims to provide not only a constitutional law contextualisation of land tenure law, but also an easy reference to legislation and to relevant decided cases.

We envisage that the publication will be updated annually, with more frequent updates, should legislative changes necessitate this.
